Memory, turn your face to the moonlight
Let your memory lead you
Open up, enter in

If you find there the meaning of what happiness is
Then a new life will begin

Memory, all alone in the moonlight
I can smile at the old days
I was beautiful then

I remember the time I knew what happiness was
Let the memory live again

Burnt out ends of smokey days
The stale cold smell of morning

The street lamp dies, another night is over
Another day is dawning

Touch me, it's so easy to leave me
All alone with the memory
Of my days in the sun

If you touch me you'll understand what happiness is
Look, a new day has begun
