

# Jimmy Fallon, the Cast of Cats & The Roots, Rem

Memory, turn your face to the moonlight  
Let your memory lead you  
Open up, enter in

If you find there the meaning of what happiness is  
Then a new life will begin

Memory, all alone in the moonlight  
I can smile at the old days  
I was beautiful then

I remember the time I knew what happiness was  
Let the memory live again

Burnt out ends of smokey days  
The stale cold smell of morning

The street lamp dies, another night is over  
Another day is dawning

Touch me, it's so easy to leave me  
All alone with the memory  
Of my days in the sun

If you touch me you'll understand what happiness is  
Look, a new day has begun
