

Jimmy Page, Hummingbird

Sometimes I get a little impatient
But she soothes me without words
And she comes so sweet and softly

My hummingbird and have you heard
That I thought my life, it had ended
But I find it has just begun

Cause she gets me where I live
I'll give all I have to give
I'm talking about that hummingbird

Oh she's little and she loves me
It's too much for words to say
When I see her in the morning sleeping

She's little and she loves me, yes she does
It's gonna be my lucky day
Hummingbird, don't fly away

When I'm feeling wild and lonesome
She knows the words, she's gotta know the words to say
And she gives me a little of her understanding
In her special way
And I have to say

In my life I'll love no other
Because she's more, more, more, much more than I deserve
And she gets me where I live
I'll give her all I have to give
I'm talking about, oh, my hummingbird

Oh, she's little and she loves me
Too much for words to say
When I see her in the morning sleeping

She's so little and she loves me, yes she does
This is gonna be my happy day
Hummingbird don't fly away

Oh, she's little and she loves me
Too much for words to say
When I see her in the morning sleeping

She's little and she loves me, yes she does
It's gonna be my lucky day
Hummingbird don't fly away

Hummingbird don't you fly away
