

Jimmy Robbins, My Faith In You

Verse 1

What if I go, would you follow me down?

And stand by my side, leave sad behind, it's all smiles now

What if I fall, down on my knees, would you help me rise again?

If bleeding is art, I'll write you my heart on papers' skin

Chorus

And I know I know, I can trust you trust you

And I know I know I can trust oh I can trust in you

Verse 2

What if I bleed, words cut me deep, would you nurse the wound?

What if it's dark, and we're far apart could I find you?
