

Jimmy Somerville, Run From Love

Hundreds & Thousands (Somerville/Steinbachek/Bronski)

Love is strong won't let you go
Hunts you down it wants you so.

Lost in love a fool can't see
Broken heart are meant to be
You can't run from love
You can't run.

Tears its way into your heart,
Leaves and you fall apart
Pain is all it has to give
All I want is to hold
Tears of pain, once tears of joy
Emptiness and a boy destroyed
A heart lies lost and slightly soiled
And still I cry to hold you
You can't run from love
You can't run.
