

Jimmy Somerville, You Are My World

Communards (Somerville/Coles)

There is nothing boy that can stop my
course

I will hold you tight never let you go

Tomorrow's party will never end

Like a bud in spring our love will
bloom and grow

Your eyes to me are precious stones

On a face that's made of a solid gold

When I hold your hand I want to cry

And your loving arms to protect me
from the cold you are my world

The soul inside now belongs to you

I'm drowning in a love so deep

We will overcome those ups and
downs

So happiness is forever ours to keep

I will follow you to the end of time

I will be the blood flowing through your veins

I will ride with you till the end of the
line

You will be my everything; my world

You are; you are; you are; you are,

Oh boy; you are my world.
