

Jimmy Wayne, Are You Ever Gonna Love Me?

Tell me what else can i do?
Tell me what else can i say?
The closer that i get to you
The further you push me away
Till i don't know where to go
And i dont know why i stay
Do you even care
Or am i some little game you play?

[Chorus:]
Are you ever gonna need me baby
Like i need you?
Are you ever gonna want me baby
The way i want you to?
I know that you love me
Oh i know down deep you do
But are you ever gonna love me
The way i love you?

I never know how you feel
I can't read you mind
I just keep waiting
Am i just waisting time?

[Chorus:]
Are you ever gonna need me baby
Like i need you?
Are you ever gonna want me baby
The way i want you to?
I know that you love me
Oh i know down deep you do
But are you ever gonna love me
Are you ever gonna love me
The way i love you?
