

Jimmy Wayne, I Will

So your the one
Ive waited all
The one I've been dreamin of
Now that I know
Its hard to let go
I dont wana to lose your love
What can I do
I cant make you stay here
But if you should choose
to go your own way
Where ever your going
Whenever you turn
Remember this moment
Remember these words

[Chorus]

I will
I will give up my life for you, if you want it.
Ill give you my heart, you already own it.
Ill do anything,
Ill go any where
Its tru,
I will,
I will,
I will.
I look in your eyes,
And I see our life
So full of happyness.
Do you see the same,
Just someone you play
For things that you mighta missed.
I dont wana weigh you down like an anchor.
But if thats how you see me now I will pleather,
Let you go free
Just sail away
If thats wat you need
If thats wat it takes

[Repeat Chorus]

If everyday is going to steel you away
If you feel you need someone to hold you
I will

If you ever need some one to
Talk to someone who really knows you
Yes I will

Uuuuuuu

Give up my life for you if you want it
Give you my heart you already own it
Ill do anything
Ill go anywhere

Its tru

I will

I will

I will

Ill wiiiiiii.

Love you
