

Jin, I Got A Love

[Kanye - talking]

Yo Jin we good with this one

[Jin - talking]

Good lookin Kanye (whoo!)

You see we're the next generation

Of this rap game

So it's only right we got down like this uh oh

[Chorus - Kanye]

I got a love that's better then

You ever was you've never been

No good for me i guess i was

Just way too hood for you to be with

[Jin (Kanye)]

Yo I was doing a show with Kanye in the west

Mid that is, so basically the chi mi's up in the mix

We in the game now, it makes perfect sense

The kid that dropped outta college, the other never went

We take turns doing our one twos and yes yes y'all

Look at shorty with my name tatted on her breast y'all

Mr. west what do you think is the best

(take em backstage, get acquainted that's what I suggest dawg)

When it coming to spittin' g, I'm one of the best y'all

She look goods, smell clean and she had fresh draws

Naw, that's too good to be,

Usually them type of chicks ain't good for me nope

[Chorus x2]

I got a way with words

I use words in ways

I convince birds to come out they cage and play

Polly want a gucci parka ma what did you say

Polly might get a cracker

Ain't no trickin today hey

But anyway though she got it on

Smash like mashed potatoes

High class with a ass that'll smash on j. lo

Lay low got playdoh stash the payroll

Ain't no credit card spendin cash on Rodeo

And me i'm at the slauson swap meet

Lookin for a pair of air 1s and white tee

She want champagne

I got Sisqo and koolaid

Why go to the movies let's watch the bootleg

[Chorus x2]

Girl i don't wear prada

Never met gucci

Or wore versace

All is too bouche

We all know Kanye is mr. louie vuitton

But if i see a L and a V i'd think that its on

That's what my old chick used to clash with me

[Girl:] Jin, why'd you get this fake louie bag for me?

Actually you should be happy i purchased that

I take this as a sign

You don't want the matching hat

Huh I'm too gutter

You more parkay with yours

I'm more I can't believe it's not butter

What the other suckas do for love is a damn shame

I got a new significant other cause plans change

[Chorus x2]

[Jin - talking]

It's over girl i thought me and you was it

But obviously things ain't work out

And i know when you see this video

First thing you gonna do is pick up that cell phone go to J huh
