

# JJ72, Oiche Mhaith

Everybody has their reason  
Everyone have their season  
Coz nobody knows where we'll go  
Everybody will be happy  
Everyone will see what I see  
Nobody knows where we'll go

[Chorus:]

Tenderly to the sea  
Veiled in silk, you and me  
Under stars so high above  
Dust from eternal love  
Someone with real emotion  
Someone with true devotion  
Can see all the marvels I can't see  
Someone who's strong and willing  
Someone who'll keep on winning  
He'll show you where you should go

[Chorus 2x]

Love  
Love  
Love
