

JJ72, Snow

people go dancing
in crowded rooms
my head is getting tired
darkness looms
children going cursing
at their only cause
why won't it snow
like they said it would
what is it that they know
that i really should
i check my look in the mirror
it don't glow
my face is getting thinner
darkness shows
children going cursing
at their only cause
why won't it snow
like they said it would
what is it that they know
that i really should
why won't it snow
like they said it would
what is it that they know
that i really should
