

# JJ72, Snow

people go dancing  
in crowded rooms  
my head is getting tired  
darkness looms  
children going cursing  
at their only cause  
why won't it snow  
like they said it would  
what is it that they know  
that i really should  
i check my look in the mirror  
it don't glow  
my face is getting thinner  
darkness shows  
children going cursing  
at their only cause  
why won't it snow  
like they said it would  
what is it that they know  
that i really should  
why won't it snow  
like they said it would  
what is it that they know  
that i really should
