

JLS, Hottest Girl In The World

Uuu!
Can I talk to you
Cause there's something I should say
Girl I'm so confused, is he your boyfriend
If I chew the gum, put me right back in my place
Can I kiss and run, like I'm your boyfriend

I can be your tofriend, I can be your lover
Take it how you want girl, treat you like no other
Say, I can be your tofriend, I can be your lover
Take it how you want girl, treat you like no other

If you should ever wonder why, it's due to fall the line
It's cause they see the sexiness that's falling in the define

How does it feel to be the hottest girl in the world right now, world right now?
How does it feel to be the hottest girl in the world right now, world right now?
You got something no other girl's like that
I wanna touch you so tell me how
How does it feel to be the hottest girl in the world right now, world right now?

Think I talk to not

Early wake up, let's just shut this down
