

# Jo Dee Messina, Because You Love Me

I don't know  
How I survived  
In this cold and empty world  
For all this time  
I only know  
That I'm alive  
Because you love me

When I recall  
What I've been through  
There's some things  
That I wish I didn't do  
Now I do the things I do  
Because you love me

And now that you're in my life  
I'm so glad I'm alive  
'Cause you showed me the way  
And I know now how good it can be  
Because you love me

Oh and now that you're in my life  
Oh I'm so glad I'm alive  
'Cause you showed me the way  
And I know now how good it can be  
Because you love me

I believe in things unseen  
I believe in the message of a dream  
And I believe in what you are  
Because you love me

With all my heart  
And all my soul  
I'm loving you  
And I never will let go  
And every day I'll let it show  
Because you love me  
Because you love me  
Because you love me
