

# Jo Dee Messina, Do You Wanna Make Somethin

(Bob DiPiero/Terry Anderson)

There a little bitty flame burnin?deep in my heart  
You wanna make something of it?  
Oh do you feel the same maybe just a little spark  
You wanna make something of it?  
Do you wanna turn it into somethin?that a burnin?like a ragin?fire outta control  
Well I waitin?for you tell me what you wanna do  
You wanna make something of it?

There a little bitty seed growin?deep in my soul  
You wanna make something of it?  
You got everything it needs just to help it to grow  
You wanna make something of it?  
Run wild like a vine if you only took the time  
To meet me in the garden of love  
It be a sweet situation if you had the inclination  
Wanna make something of it?

Chorus:  
Oh yeah I admit it  
I love you yes I do  
What you do with it is all up to you  
ooooohhhhh yeah

Oh yeah I admit it  
I love you yes I do  
What you do with it is all up to you

ooooooooooooohhhh..

There little bitty flame burnin?deep inside my heart  
Wanna make something of it?  
Oh do you fell the same maybe just a little spark  
You wanna make something of it?  
Do you wanna turn it into something that burnin?like a ragin fire out of control  
Well I waitin for you tell me what you wanna do  
You wanna make something of it?

Well I waiting for you tell me what you wanna do  
You wanna make something of it

Well I waiting for you tell me what you wanna do  
You wanna make something of it?
