

# Jo Dee Messina, I'm Alright

Well it's been a long time, glad to see your face  
I knew we'd meet again, another time, another place  
Can't believe it's been so many years  
You'd better grab a chair and a couple of beers

Looking good in your three-piece suit  
You know, I always knew you'd take the business route  
You were always the one to follow the light  
And you look like you're doing alright, yeah

Been singing for my rent and singing for my supper  
I'm above the below and below the upper  
I'm stuck in the middle where money gets tight  
But I guess I'm doing alright

I'm all, I'm all, I'm alright  
It's a beautiful day, not a cloud in sight  
So I I guess I'm doing alright  
I'm all, I'm all, I'm alright  
I got a good old friend here with me tonight  
And I guess I'm doing alright

Well, we had a lot of dreams when we were younger  
They thought we were crazy but we had the hunger  
We kept a lot of friends, skipped a lot of class  
Been on top of the world and knocked on our

We lost touch, we lost in love  
We lost our minds when things got tough  
But beating time is a losing fight  
And I guess I'm doing alright

Oh, I'm all, I'm all, I'm alright  
It's a beautiful day, not a cloud in sight  
So I guess I'm doing alright  
I'm all, I'm all, I'm alright  
I got a good old friend here with me tonight  
And I guess I'm doing alright  
Well, I guess I'm doing alright

Well, I hate to see this evening end  
God only knows when I'll see you again  
Just send a fax or send me a letter  
Or give me a call, that would even be better

Give the kids a kiss for me  
And say hello to the family  
And tell them all my future's looking bright  
Well, I miss 'em but I'm doing alright  
I said I miss 'em but I'm doing alright

Oh, I'm all, I'm all, I'm alright  
It's a beautiful day, not a cloud in sight  
So I guess I'm doing alright  
I'm all, I'm all, I'm alright  
Got a good old friend here with me tonight  
And I guess I'm doing alright  
Well, I guess I'm doing alright  
I'm doing alright
