

# Jo Dee Messina, I Wish You Still Loved Me

Its not easy sayin this to you  
Its the hardest thing Ive ever had to do  
but boy before you go  
I want you to know

I wish you strength, when times are hard  
Oh, I wish with all my heart you find just what youre lookin for  
I wish you joy, I wish you peace  
and that every star you sees within your reach  
and I wish you still loved me

I wish that things were different, you know that  
but I still happy for the times we had  
you mean the world to me  
oh, baby please believe

I wish you strength, when times are hard  
Oh, I wish with all my heart you find just what youre lookin for

I wish you joy, I wish you peace  
and that every star you sees within your reach  
and I wish you still loved me

Oh, losing you is tearin me apart  
but a part of me will be with you  
no matter where you are

Oh, i wish you strength, when times are hard  
Oh, I wish with all my heart you find just what youre lookin for  
I wish you joy, I wish you peace  
and that every star you sees within your reach  
and I wish you still loved me

Oh, I wish you still loved me
