

Jo Dee Messina, I Wish You Still Loved Me

Its not easy sayin this to you
Its the hardest thing Ive ever had to do
but boy before you go
I want you to know

I wish you strength, when times are hard
Oh, I wish with all my heart you find just what youre lookin for
I wish you joy, I wish you peace
and that every star you sees within your reach
and I wish you still loved me

I wish that things were different, you know that
but I still happy for the times we had
you mean the world to me
oh, baby please believe

I wish you strength, when times are hard
Oh, I wish with all my heart you find just what youre lookin for

I wish you joy, I wish you peace
and that every star you sees within your reach
and I wish you still loved me

Oh, losin you is tearin me apart
but a part of me will be with you
no matter where you are

Oh, i wish you strength, when times are hard
Oh, I wish with all my heart you find just what youre lookin for
I wish you joy, I wish you peace
and that every star you sees within your reach
and I wish you still loved me

Oh, I wish you still loved me
