

# Jo Dee Messina, If Not You

I'll admit  
I can be  
Hard to please  
Now and then  
I disagree  
Just to disagree  
There are times I want what I want  
'Cause I want it  
There are things I don't know I have  
When I've got 'em  
But when I look at you I ask myself  
How could there be somebody else?

If not you  
Who  
Is ever gonna make me happy?  
If not love  
What  
Is it I feel for you?  
If I search the world  
Over under still I wonder  
Who would I be looking for?  
Yeah who  
If not you?

When I'm stuck  
And feel locked up  
You turn the key  
You minimize  
All of my  
Insecurities  
You always seem to know what  
I need when I need it  
And when I say I need only you  
Believe it  
Of all the many mysteries yet to come  
I've solved the most important one

If not you  
Who  
Is ever gonna make me happy?  
If not love  
What  
Is it I feel for you?  
If I search the world  
Over under still I wonder  
Who would I be looking for?  
Yeah who  
If not you?

There are times I want what I want  
'Cause I want it  
There are things I don't know  
I have when I've got 'em  
But when I look at you I ask myself  
How could there be somebody else?

If not you  
Who  
Is ever gonna make me happy?  
If not love  
What  
Is it I feel for you?  
If I search the world

Over under still I wonder  
Who would I be looking for?  
Yeah who  
If not you?

If not you  
If not you  
Who?
