

# Jo Dee Messina, It Gets Better

(Jo Dee Messina)

This old world can be cruel sometimes  
When you're looking for answers  
You can't seem to find  
No one understands what you're going through

Oh I know it can get lonely out there  
When you feel like nobody cares  
Well you look around thinking  
If they only knew  
Well I do

Chorus: I've felt the chill of this world cut down to the bone  
I've walked many a mile down this road on my own  
I've been through hell on my knees  
Come face to face with the devil  
And I know that it's hard to believe  
But it gets better

Time is a healer but we can't see how  
When you're caught in the moment  
And the hurting is now  
We don't wanna see that maybe somethings  
Weren't meant to figure out

Repeat chorus

This old world can be cruel sometimes  
When you're looking for answers  
Well just keep in mind  
No you're not alone  
We're all trying to find our way through this life

Repeat chorus (out)
