

Joan Armatrading, Bottom To The Top

Know I've been saying
Thee something I have to prove
I keep on going baby
'Cos if I stop now
I'm bound to lose

To the limit here we go
From the bottom to the top
Gonna tell all of my friends
Say I can run on any track
Some move more quickly
You now they can stand the pace
Others move slow
But they get there just the same
Know I want first
And not just a place
Keep on pushing babe

Know I've been working
I do what I have to do
Keep on pushing baby
'Cos I know if I get through
It's more for you

To the limit here we go
From the bottom to the top
Gonna tell all of my friends
Say I can run on any track
Some move more quickly
You now they can stand the pace
Others move slow
But they get there just the same
Know I want first
And not just a place
Keep on pushing babe
To the limit here we go
Nice and easy do it
Nice and easy
