

# Joan Armatrading, Can I Get Next To You

Can't get your attention  
No matter how I try  
This fascination  
Infatuation  
I got to have it  
Now I know you got it  
Can I get next to you yeh

I always figured  
Love was overrated  
Call me fickle  
Cos now it's just the greatest  
This attraction  
Was unpremeditated  
Hold my hand  
Please

Do do wop  
Do do wop  
Do do wop  
Do do wop

Can't get your attention  
No matter how I try  
Infation  
This fascination  
I got to have it  
Now I know you got it  
Can I get next to you yeh  
Can I get next to you yeh

Do do wop  
Do do wop  
Do do wop  
Do do wop
