

Joan Armatrading, Don Juan

I want that very special love
You hold on to
I want that passion
I won't play with words

You could be Don Juan
You could fire my desire
And you do

I want to hear I'm very special
I want to be the first thing that comes
To your mind when you wake up to the day
I want that very special love you have

There was never any doubt
I fell for you
Possessor
You have my heart

You could be Don Juan
You could fire my desire
And you do

Take all of me
Don't break my heart
Don't break my heart
Take all of me
Don't break my heart
Don't break my heart

You could be Don Juan
You could fire my desire
And you do

I want to be the one you cling to
When you feel all the pressures of the world
I want that very special love you have
I want that very special love you have
I want that very special love you have
Possessor
You have my heart
You could be Don Juan
You have my heart
You have my heart
