

# Joan Armatrading, Friends Not Lovers

I see your body when I look at you  
It's breathing me up  
Cos you say we're through  
It's such a shame  
If we just had to remain

Friends not lovers  
Two people  
One state of mind  
We can't be friends  
Not lovers  
No way  
Baby I'm not lying

I want you back  
I want you back

Maybe baby

You're not aware  
Broken hearts  
Can get repaired  
It's a losing game  
If we should have to part as

Friends not lovers  
Two people  
One state of mind  
We can't be friends  
Not lovers  
No way  
Baby I'm not lying

I want you back  
I want you back

I see your reasons  
I know your fears  
People change  
I stand here  
To be what you want  
To be where you are  
I just wanna say

We can't be friends and not lovers  
Two people  
One state of mind  
We can't be friends  
Not lovers  
No way  
Baby I'm not lying

I want you back  
I want you back
