

Joan Armatrading, I Love My Baby

My baby says to me
Come over here
And talk with me

I go and I sit down
We talk about the
Joy we've found

I love my baby
I love my baby
So much

Love to hear you
Call my name
Out loud
Love to hear you
Say I make you proud

But will it end now
We can't say
Will we be happy
All the way

I love my baby
I love my baby
So much
