

# Joan Armatrading, Reach Out

When the world has gone crazy  
And there's no one around  
You can talk to  
I'll be there in a hurry  
Cos I know how you feel  
Don't worry

Reach out  
I'll be there  
Reach out for someone who cares  
I'll be there  
I'll make you feel fine  
I'll put your mind at ease  
I can be of help  
I know I can  
I can help

When you're looking for a friend  
You won't find no better  
Right on to the bitter end  
Here I am  
Here I am

When you feel a little bit lonely  
There's no need  
Can't you hear me

Reach out  
I'll be there  
Reach out for someone who cares  
I'll be there  
I will be the one  
I'll make you feel fine  
I can be the one to put your mind at ease  
I can be of help  
I know I can  
I can help

When you're looking for a friend  
You won't find no better  
Right on to the bitter end  
Here I am  
Here I am
