

# Joan Armatrading, Travel So Far

Travel so far  
I've got to get myself back  
Move so far from you  
And you so true  
Well let me get myself back  
Never going to wander again  
Travel so far  
Well let me get myself back

Was seeing the old moon  
Walking past the door  
He had freedom eyes  
His home was the skies  
And he beckoned me to his side  
He said come let's go, let's go  
Freedom road  
Just you and me  
Bring the sun  
If you feel you need some warm company

Travel so far  
Well let me get myself back  
Move so close to you  
And you're still true  
It's good to have you smile back  
Get back get back get back  
I'll let you lead the way  
Never going to wander again

Don't say  
You've stopped loving me  
'Cos there by your side  
Should be no one but me  
Don't say you've stopped loving me  
'Cos there by your side  
I've travelled so far to be  
Get back get back get back

Was feeling how your body moved  
Watching the leaves blow in the trees  
Then I thought of your touch  
And that reminds me of your kiss  
And I almost drove myself insane  
Don't say you've stopped loving me  
Think up as I go how you're gonna  
Outshine the sun and moon  
Don't say you've stopped loving me  
'Cos there by your side  
Should be no one but me  
Should be no one but me
