

# Joan Armatrading, Visionary Mountains

Visionary mountains  
Above and afar  
Like answers to questions  
On life  
Love  
And the longing to survive

Truth all distorted  
Are words I create  
To then a parting tonight  
Tonight  
At the peak of your

Visionary mountains  
Above and afar  
Like answers to questions  
On life  
Love  
And the longing to survive
