Joan Armatrading, Woncha Come On Home

Every light is on But all the rooms Are empty Except one Oh babe don't stay too late You know I hate to be alone And I'm alone Baby woncha come on home

There's a madman Standing on the corner And he keeps on looking At my window Oh baby woncha come on home Home

Every key is turned And every window's bolted From inside Oh babe you know I get so scared You know I couldn't live alone It's just been confirmed Baby woncha come on home

Standing on the corner Is a madman Looking at my window Oh baby woncha come on home Home Baby woncha come on home

There's a man Standing on the corner Now a shadow Moves across the window Oh baby woncha come on home Home
