

Joan Baez, Blowing In The Wind

How many roads must a man walk down, before you will call him a man ?
How many seas must a white dove sail before she rests in the sand ?
And how many times must the cannonballs fly before they're forever banned?

The answer my friends is blowing in the wind the answer is blowing the wind.

How many years can a mountain exist before it is washed to the sea?
How many years can some people exist before they're allowed to be free?
How many times can a man turn his head and pretend that he just doesn't see?

The answer my friends is blowing in the wind the answer is blowing the wind.

How many times can a man look up before he can see the sky?
How many ears must one person have before he can hear people cry?
How many deaths will it take till he knows that too many people have died?

The answer my friends is blowing in the wind the answer is blowing the wind.
The answer my friends is blowing in the wind the answer is blowing the wind.
