

Joan Baez, Do Right Woman, Do Right Man

Take me to heart
And I will love you
And nobody can make me do wrong

But take me for granted
Leaving love unshown
It makes the will power weak
And temptation a throng

A woman's only human
This you should understand
She's not just a plaything
She's flesh and blood
Just like a man

CHORUS
If you want a do right all day woman
You have to be a do right all night man

They say this is a man's world
But you can't prove that by me
And as long as we're together baby
Show a little respect for me

CHORUS

A woman's only human
This you should understand
She's not just a plaything
She's flesh and blood
Just like her man

CHORUS
