

# Joan Jett And The Blackhearts, Be Straight

I dont believe you should live by the rules,  
I dont wanna listen when life's so cruel,  
We're not sorry for things we do and my advice to you...OW  
I never listen to things they say,  
Cuz what you hear it gets in your way,  
I'm not gonna be on your side,  
If I find out you lied,  
OW

\*\*When you talk to me,  
Be straight,  
When I take you home,  
Be Straight,  
Anyone can do what they wanna do if you wanna be-  
Be straight  
Be straight

Everybody needs a shoulder to cry on,  
And I am one that you can rely on,  
If you wanna know my opinion, It dont matter 'bout what you've been in, yeah  
Ow!

If you wanna be- Be Staright,  
If you wanna be- Be straight,  
If you wanna be- be straight- be straight!
