

Joan Jett And The Blackhearts, Indian Giver

(B. Gentry/R. Cordell/B. Bloom)

I can still remember
It wasn't long ago
Things you used to tell me
You said I had to know
Told me that you loved me
And that you always would
Then I said I loved you
You said that that was good
Then you made a promise, said you'd never want me to go
Oh no

Indian giver Indian giver
You took your love away from me
Indian giver Indian giver
Took back the love you gave to me

Baby I was feeling
The way I want to feel
You had me believing
The love we had was real
Things we did together
You said they'd never end
Now until forever Oh yeah that was what you said
Then when I was down I knew you'd always be there
Oh yeah

Indian giver Indian giver
You took your love away from me
Indian giver Indian giver
Took back the love you gave to me

Indian giver Indian giver
You took your love away from me
Indian giver Indian giver
Took back the love you gave to me

Indian giver Indian giver
You took your love away from me
Indian giver Indian giver
Took back the love you gave to me
