

# Joan Jett And The Blackhearts, Treading Water

(Jett/Byrd/McCurry/Supa/Laguna)

You're rockin' the boat, you're wastin' my time  
I'm startin' to drown man I'm drawin' the line  
Your love caught me like an undertow  
You're draggin' me down, breakin' my stride  
I can't keep swimmin' up against the tide Oh no I'm goin' with the flow  
Gonna let ya go yeah, yeah, oh yeah

Love's got me treadin' water, your love's got me treadin' water  
Oh oh, I'm gonna let ya go  
Your love's got me treadin' water  
An' I'm so tired of treadin' water  
Oh oh, I'm gonna let ya go

I'm over my head, I just can't last  
You're crampin' my style, ya got me sinkin' fast  
C'mon gotta cut the line  
We're runnin' out of time, yeah, yeah, oh yeah

Love's got me treadin' water, your love's got me treadin' water  
Oh oh, I'm gonna let ya go  
Your love's got me treadin' water  
An' I'm so tired of treadin' water  
Oh oh, I'm gonna let ya go

Gonna let ya go, now you oughta know  
I won't take it anymore, no no oh no

I Want You
