

# Joan Jett, Love Me Two Times

(The Doors)

Love me two times, baby  
Love me twice today  
Love me two times, baby  
I'm goin' away  
Love me two times, baby  
One for tomorrow  
One just for today  
Love me two times  
I'm goin' away

Love me one time  
Could not speak  
Love me one time  
Yeh my knees got weak  
love me two times, baby  
Last me all though the week  
Love me two times  
I'm goin' away  
Love me two times  
I'm goin' away  
Oh, yes

Love me two times, baby  
Love me twice today  
Love me two times, baby  
I'm goin' away  
Love me two times, baby  
One for tomorrow  
One just for today  
Love me two times  
I'm goin' away

Love me two times, baby  
Love me twice today  
Love me two times, baby  
I'm goin' away  
Love me two times, baby  
One for tomorrow  
One just for today  
Love me two times  
I'm goin' away

Love me two times  
I'm goin' away  
Love me two times  
I'm goin' away
