

# Joan Jett, Tossin' And Turnin'

I couldn't sleep at all last night  
Just a thinkin' bout you  
Baby things weren't right  
Well I was tossin' and turnin'  
Turnin' and tossin'  
Tossin' and turnin' all night  
I kicked the blankets on the floor  
Turned my pillow upside down  
I never did before  
Now I was tossin' and turnin'  
Turnin' and tossin'  
Tossin' and turnin' all night  
Jumped out of bed  
Turned on the light  
I pulled down the shade  
Went to the kitchen for a bite  
Pulled down the shade  
Turned off the light  
Jumped back into bed  
It was the middle of the night  
The clock downstairs was striking four  
Couldn't get you off my mind  
I met the milkman at the door  
And I was tossin' and turnin'  
Turnin' and tossin'  
Tossin' and turnin' all night  
Yeah, yeah, yeah, yeah  
I was tossin' and turnin'  
Turnin' and tossin'  
Tossin' and turnin'  
Turnin' and tossin'  
Tossin' and turnin' all night
