

Joan Jett, You Can't Get Me

You can do what you want with the girls on the block
But come around here and I say stop
Cuz all I wanna do is get me through tonight
So don't get me uptight
Cuz ya can't get me ya can't get me
You can't get me now can't get me
You can't get me ya can't get me
You can't get me now can't get me n-n-no
Ya can't get me you can't get me now n-n-no
Can't get me you can't get me n-n-no
Ya can't get me you can't get me now n-n-no
Can't get me you can't get me n-n-no
Ya can't get me you can't get me now n-n-no
Can't get me you can't get me n-n-no
Ya can't get me you can't get me now n-n-no
Can't get me you can't get me
Ya can't get me
