

# Joan Jett, You Got Me Floatin'

You got me floatin' round and round  
Always up, you never let me down  
The amazing thing, you turned me on naturally  
And I kiss you when I please  
You got me floatin' round and round  
You got me floatin' never down  
You got me floatin' naturally  
You got me floatin' float to please  
You got me floatin' across and through  
You make me float right on up to you  
There's only one thing I need to  
Really get me there  
Is to hear you laugh without a care  
You got me floatin' round and round  
You got me floatin' never down  
You got me floatin' naturally  
You got me floatin' float to please  
You got me floatin' round and round  
You got me floatin' never down  
You got me floatin' naturally  
You got me floatin' float to please  
Now your daddy's cool and  
Your mama's no fool  
They both know I'm head  
Over heels for you  
And when the day melts down  
Into a sleepy, red glow  
That's when my desires  
Start to show  
You got me floatin' round and round  
You got me floatin' never down  
You got me floatin' naturally  
You got me floatin' float to please
