

# Joan Osborne, At Last

At last my love has come along  
My lonely days are over  
And life is like a song  
At last the skies above are blue  
And my heart was wrapped in clover  
Mmm The night I looked at you  
I found a dream that I could speak to  
A dream that I could call my own  
I found a thrill to press my cheek to  
A thrill that I have never never known  
Ohh You smiled and then the spell was cast  
And here we are in heaven  
For you are mine at last  
You are mine at last  
You are mine...at last
