

Joan Osborne, Brick House

Chorus:

She's a brick house
She mighty mighty just lettin' it all hang out
A brick house
The lady's stacked and that's a fact
I ain't holding nothing back

She's a brick house
We're put together everybody knows
And here's how the story goes

She knows she got everything
A woman needs to get a man
How can she lose when she is
36-24-36, what a winning hand

Chorus

She's a brick house
She's the one, the only one
Built like an Amazon

The clothes she wears, the sexy ways
Make the old man wish for younger days
She knows she's built and knows how to please
Sure enough to knock a strong man to his knees

Chorus

Shake it down, shake it down now

She's a brick house
She mighty, mighty, mighty just lettin' it all hang out
A brick house
We're put together everybody knows
And here's how the story goes

Shake it down, shake it down now

Chorus

She's a brick house
