

# Joan Osborne, Match Burn Twice

Early in the morning when I'm still in bed  
I start thinking 'bout last night  
My imagination gets the best of me  
And I can feel the match burn twice  
Baby have I told you that I love your way  
Only once will never suffice  
They say that love is always sweeter the second time around  
And I can feel the match burn twice  
BRIDGE  
Oh I take my time, time, time  
Oh I must confess  
Oh here comes the part I like the best  
So even when you're miles and miles away from me  
Baby it's no sacrifice  
They say that love is always sweeter the second time around  
And I can feel the match burn twice  
REPEAT BRIDGE  
So even if you're never comin' back no more  
Baby it's no sacrifice  
They say that love is always sweeter the second time around  
And I can feel the match burn twice
