Joanna Liszowska, Into U

i don't wanna say goodbye i don't wanna leave you behind that's fine

i don't wanna be the one killing of the spark in your eyes not right

and I know, I know, I know I was wrong and I know, I know, I know you're the one

and i don't wanna say goodbye if leaving you makes us alive

let's make a miracle bring back the beautiful tonight coz you only I'm into you, into you turn on the radio make 'em play our favorite song tonight coz you know I'm into you, into you

I wish I had seen the sighs
I wish them I could stop rewind
this time
but if we only face the time
know that the hurt the ...
inside

and I know, I know, I know I was wrong and I know, I know, I know you're the one

and i don't wanna say goodbye if leaving you makes us alive

let's make a miracle bring back the beautiful tonight coz you only I'm into you, into you turn on the radio make 'em play our favorite song tonight coz you know I'm into you, into you

i am sorry, to you you're my miracle indestructible i am sorry, to you let's get?.... cuz I am into you into you into you

let's make a miracle bring back the beautiful tonight coz you only I'm into you, into you turn on the radio make 'em play our favorite song tonight coz you know I'm into you, into you
