Job For A Cowboy, Embedded

An incision leads to the future of the new world A mark buried deep under the skin and flesh will divide and distinguish man Signatures implanted on the hands and forehead Reoccurrence of modern times and scriptures Testament to holy doctrines written in vital blood In the extent all will hold something very similarly and accordingly All will bear his name with the distinct and original number of his signature In a new world with suppressing technology Lacerations lead to codes embedded in blood streams beneath the flesh Currencies fuse together to form a solitary and overruling capital Money evolves into cryptic letters and numbers that flow through the net A conflagration set to diminish papered riches, depleting its masterdom No longer capable of enslaving the likes of human kind from only presenting itself as a form of an object Fragments of ash flow through the atmospheres currents Onlookers breathe and inhale what they once worshipped.

The demons solution, a new world orde
