

# Jocelyn Enriquez, I Didn't Know Love Would Break

You would be in love with me  
If I could change your mind  
I would put away these letters  
And stop wasting all this time  
If you only felt the same  
Whenever you were near  
I could show you how I miss you  
If I had you here

Just to see your smile  
Just to have that moment of happiness  
Would make it all worthwhile  
All my life  
I've been waiting for you  
All my life  
I'd give you so much more  
Now you're gone  
And now that we are apart  
I didn't know love would break my heart

Are you still in love with me  
The way I am with you  
Do you feel your heart is breaking  
After all that we've been through  
Heaven knows where you are now  
The more I wonder why  
And the only thing that I regret  
We didn't say goodbye

Just to see your smile  
Just to have that moment of happiness  
Would make it all worthwhile  
All my life  
I've been waiting for you  
All my life  
I'd give you so much more  
Now you're gone  
And now that we are apart  
I didn't know love would break my heart
