## Jocelyn Enriquez, Only You

Looking from a window above It's like a story of love Can you hear me I came back only yesterday I'm moving further away Want you near me

Chorus: All I needed was the love you gave All I need is for another day And all I ever knew Only you

Sometimes when I think of her name When it's only a game And I need you Listen to the words that you say It's getting harder to say When I see you

(Repeat Chorus)

(Instrumental)

All I ever knew (2x)

(Instrumental)

(Repeat Chorus)

This is gonna take a long time And I wonder what's mine Can't take no more Wonder if you'll understand It's just the touch of your hand Behind closed door

(Repeat Chorus)

(Instrumental)
