

# Jocelyn Enriquez, So Fabulous, So Fierce

Aw, freak out  
Le freak, c'est chic  
Freak out  
Le freak, c'est chic

Here I am, gonna stand my ground  
Nothin' in the world's gonna bring me down  
Hear me yell and hear me roar  
I am somethin' that you can't ignore  
I am here for all of us  
I am fierce and we're all fabulous

Chorus:  
Freak out  
So fabulous, so fierce  
Freak out  
So beautiful, so freaky  
Freak out  
So fabulous  
So fabulous, so fierce  
Freak out  
So beautiful, so freaky  
Freak out  
Le freak c'est chic

Look at me in this big spotlight  
I'll make this one magical night  
People say that I'm quite a sight  
I'm right out of love wearin' black and white

I am here for all of us  
I am fierce and we're all fabulous

(Chorus)

Here I am, so you'd better beware,  
Gonna getcha, catcha  
Run for cover 'cause I'm like no other  
Gonna getcha, catcha  
Here I am, so you'd better beware,  
Gonna getcha, catcha  
Run for cover 'cause I'm like no other  
Gonna getcha, catcha

I'm an original, baby!  
No carbon copies or fake furs for me  
No way!

Chorus

I'm beautiful  
No one's like me  
So freaky
