

# Jodi Benson, Dreams To Dream (Movie Version)

dreams to dream in the dark of the night  
when the world goes wrong  
i can still make it right  
i can see so far in my dreams  
ill follow my dreams  
until they come true

come with me, you will see what i mean  
theres a world, inside, no one else ever sees  
you will go, so far in my dreams  
somewhere in my dreams  
your dreams will come true

there is a star waiting to guide us  
shining inside us  
when we close our eyes

dont let go, if you stay close to me  
in my dreams tonite  
you will see what i see  
dreams to dream  
as near as can be  
inside you and me  
they always come true
