Heads held high, touch the sky
You mean everything to me

In a fix, in a bind
Call on us anytime
We'll appear from nowhere
Mighty are we

Rescue Aid Society
Honesty, loyalty
We pledge to thee

Rescue Aid Society
Heads held high, touch the sky
You mean everything to me

In a jam, in a scrape
And you think, "no escape"
Do not fear, we'll be here
Courageous are we

Rescue Aid Society
Heads held high, touch the sky
Our hearts we pledge to thee
