

Jodi Benson, Somewhere Out There

Somewhere out there
Beneath the pale blue night
Someone's thinking of me
And loving me tonight

Somewhere out there
Someone's saying a prayer
That we'll find one another
In that big somewhere out there

And even though I know how very far apart we are
It helps to think we might be wishing
On the same bright star

And when the night wind starts to sing a lonesome lullaby
It helps to think we're sleeping
Underneath the same big sky

Somewhere out there
If love can see us through
Then we'll be together
Somewhere out there
Out where dreams come true

And even though I know how very far apart we are
It helps to think we might be wishing
On the same bright star

And when the night wind starts to sing a lonesome lullaby
It helps to think we're sleeping
Underneath the same big sky

Somewhere out there
If love can see us through
Then we'll be together
Somewhere out there
Out where dreams come true
