

Jodi Benson, Steven

Steven Michael Huber is happy already
Steven Michael Huber is up and down
Steven Michael Huber is getting in trouble
Steven Michael Huber might be here later

Chorus

Steven everywhere, Steven Huber, Steven's coming out to play.
Steven never here, Steven's always here, Steven, Steven is back.

Steven Michael Huber is our special friend
Steven Michael Huber is going to be gone now
Steven Michael Huber is lost and we like him
Steven Michael Huber is in the house

Chorus

Steven everywhere, Steven Huber, Steven's coming out to play.
Steven never here, Steven's always here, Steven, Steven is back.

When Steven is our best friend, because Steven is hot that's a lot of
people. When Steven is our best friend, there is nothing I can do.

Steven Michael Huber might be against us
Steven Michael Huber is everything
Steven Michael Huber might come to my party
Steven Michael Huber is in and out

Chorus

Steven's everywhere, Steven Huber, Steven's coming out to play.
Steven never here, Steven's always here, Steven, Steven is back.
